

**ALABAMA PUBLIC LIBRARY SERVICE
FY 2019 STATE AID**

**APPLICATION
INSTRUCTIONS FOR
SYSTEM MEMBER LIBRARIES &
INDEPENDENT PUBLIC LIBRARIES
Due 10/1/2018**

Please complete the enclosed application form, check for accuracy and have the form signed by the Board Chair and the Library Director. The form must be returned to APLS, **Attention: Stephanie Taylor**, as soon as possible. State Aid cannot be issued until all necessary forms are received.

The APLS Administrative Code, Rule 520-2-2-.04, **Fiscal Requirements**, states that:

- (1) A public library must have a current budget, and the participants of a public library system must have a cumulative total current budget, based on locally-appropriated non-capital funds, of **not less** than the amount of state aid for which the library or system is eligible **nor less** than the previous year's budget. Locally appropriated non-capital funds may include a combination of municipal or county funds appropriated to the library or system budget and in-kind funds expended directly by local governments for public library services.

- (a) If locally appropriated funds received are not sufficient to match for state aid and/or if the locally appropriated funds received are reduced from the previous year, the amount of state aid for the current fiscal year will be reduced by an amount equal to the difference between the current locally appropriated funds received and the average of the locally appropriated funds received for the previous two (2) fiscal years.

Should a review indicate that your library might fail to meet the requirements, you may **request special consideration** by completing an appeal form found on the APLS website (see APLS Administrative Code, 520-2-2-.07, **Appeal Process**).
