Additional Information

Circulation statistics and participation numbers are great. BUT when we send in our reports to the Institute of Museum & Library Services on how APLS spends LSTA money, they like to know about outcomes and impact that our programs have. This year we are asking that you provide us with one story about how YOUR summer reading program has had an impact.

18. Please share one significant story about how your summer reading program effected the life/lives of a participant(s). *

A copy of your responses will be emailed to the address you provided
