This was my first time and I greatly appreciate this service. I have been struggling in language arts and didn't have any help. I am so thankful that this service is available for kids like me who just need a little more help. We all want to get good grades but can't find anywhere to get help, especially when our parents can't afford expensive tutors. I know I am just as smart as everyone else and this service will help me succeed and show that to my teachers. (Alabama Public Library Service - Remote Access)	6th
